

CIBO Looking Forward Strategy

Environmental & Energy
Committee Meetings

June 9, 2009

Multiple Rules Impacting Boilers Coming Our Way!

- **Boiler MACT**
- **CISWI**
- **Boiler GACT**
- **CAIR**
- **Regional Haze**
- **Tightened PM2.5, Ozone standards**
- **SSM Vacatur**
- **NSPS updates**
- **Regulation of GHGs under the CAA (and/or cap & trade)**
- **NSR “reform”**

What Should We Do?

- Educate key decision-makers about cumulative impacts in light of current economy
- Identify allies
- Argue for EPA discretion where it exists
- Figure out what we could put on the table as an alternative
