

Advancing each generation.

Midwest Ozone Group (MOG) Update

CIBO Environment Meeting

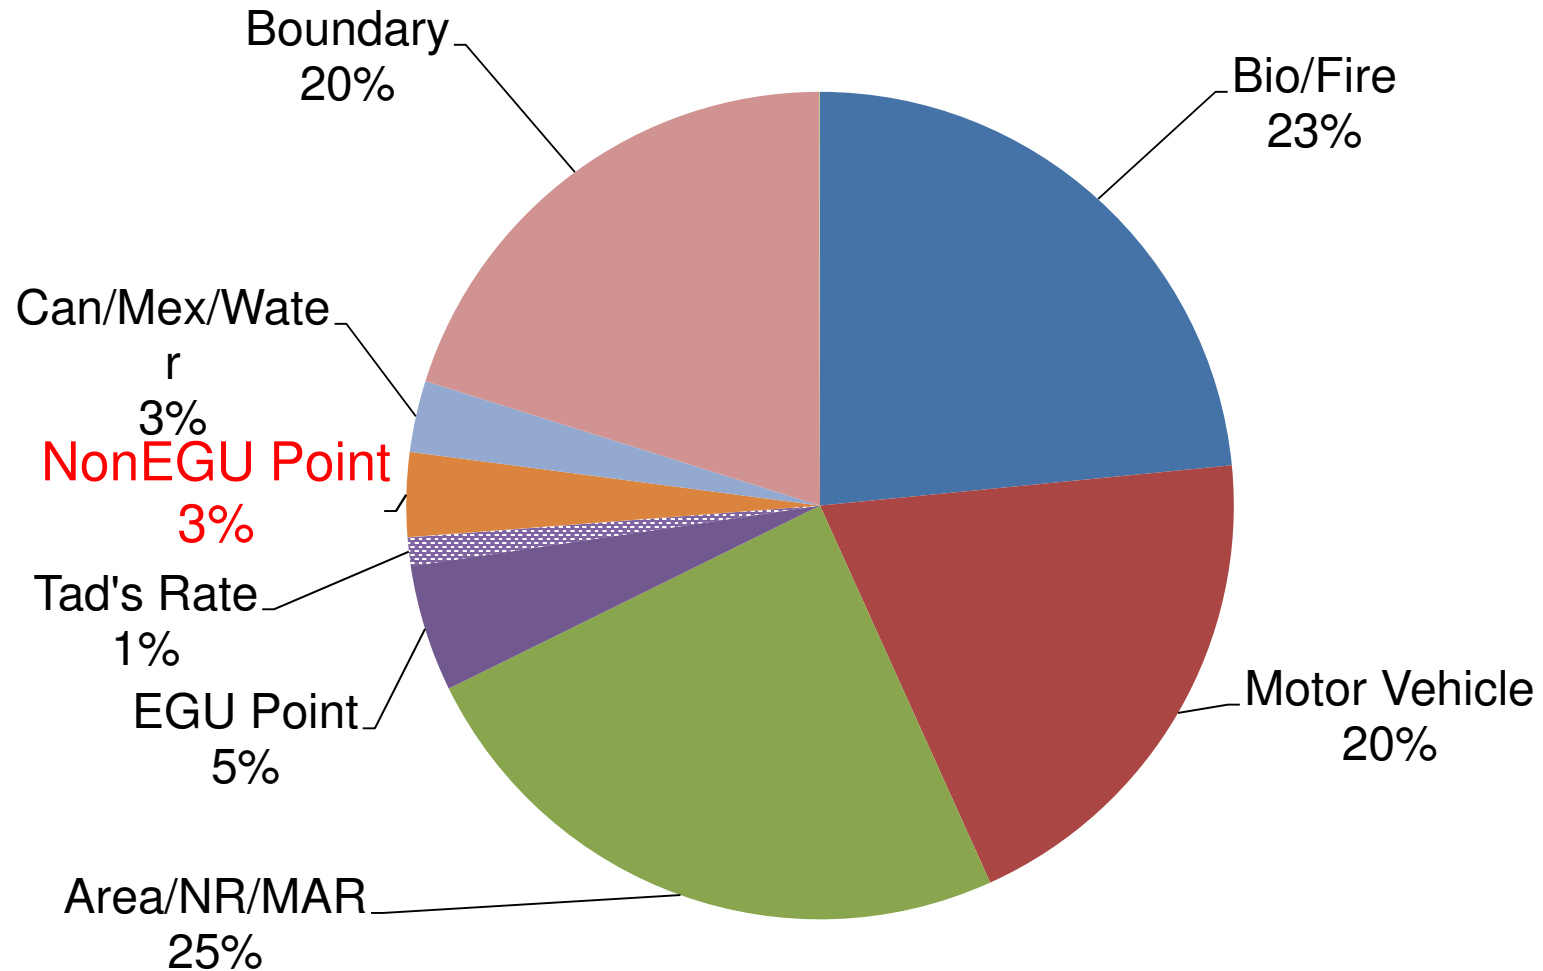

2016 March 22

MOG

- MOG looks to assure the “Policy” driving Ozone NAAQS Implementation is based upon sound “Science”
- Has been primarily Utility focused
- Industrials getting involved:
 - AF&PA
 - Alcoa
 - Citizens Thermal
 - CIBO
 - IRIPPA
- Why are Industrials interested?
 - Son of CSAPR
 - Recent disapproval of State Good Neighbor SIPs

MOG Modeling Output

Fairfield, Connecticut

What's CIBO Doing

- AECOM (Amy) working with boiler database info and MOG Modeler (Alpine Geophysics – Gregory Stella)
- Expect by October 2016 to have results
 - December Mtg.

Advancing each generation.
